A TIGHT ROSTER.
A CLEAR LINE.

PREPARED BY **ARTURO JORNET** · **BLACKLINE BOOKINGS**

Hi,

I'd like to introduce you to **Saporta**, one of the artists on the **Blackline Bookings** roster.

Born and raised in Valencia, he's a DJ and producer who moves between high-energy house and groove-driven techno. His tracks have been supported by Carl Cox, Joseph Capriati, Vintage Culture or UMEK, and he runs his own label, Etern Records.

In Spain he's played Barraca, Medusa Festival or Zevra Festival, and in recent years he's been taking his sets abroad: LAB11 in Birmingham, Kamala Festival in Milan, Bucolika Festival in Turin, the Desert Vision takeover in Ancona or Diskoteket in Trondheim.

If Saporta could be a fit for your club, festival or event, I'd love to talk it through. Just drop me a line whenever suits you.

All the best,

Arturo Jornet

01 — MY TAKE

A PRODUCER WITH BIG-ROOM SUPPORT, A DJ BUILDING HIS NAME ABROAD

Saporta's tracks have been backed by Carl Cox, Joseph Capriati, Vintage Culture, UMEK, Dave Clarke or T78, and played at Awakenings, Tomorrowland, EDC, Zamna, CORE, Kappa Futur Festival, Mayan Warrior or Fusion. Behind the decks, he's rooted in Valencia and has been playing more and more in the UK, Italy or Norway. As I see it, the next step is turning that support as a producer into more bookings as a DJ.
